Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

This submission is in response to the Decision on Petition Under 37 C.F. § 1.137(b) mailed September 26, 2000.

The Examiner identified that the declarations, which were submitted with the Petition to in response to a Notice of Missing Parts, were defective because they were not individually complete. The applicants herewith submit five declarations for this case, each of which is complete. One of the declarations was signed by two inventors, the others were each signed by one inventor.

Applicants request reconsideration of the Dismissal of the Petition for Revival, and return of the case to prosecution.

No fee is believed due, should any fee be due, please charge any fee deficiency or credit any overpayment to deposit account 22-0261.
